MEMORANDUM

TO: Michael C. Lewis, Environmental Manager, Hanson Aggregates New York
FROM: Rochelle Bell, Senior Environmental Planner
DATE: December 12, 2014
RE: Mining land in agricultural district in Monroe County, NY

I am writing to confirm that the parcel you asked about -- tax lot number 227.04-1-4.12, located in the Town of Rush -- is in Monroe County's Eastern Agricultural District. This status does not trigger a general requirement to file a notice or obtain a permit from Monroe County. When Hanson Aggregates goes to the Town of Rush for site plan approval an Agricultural Data Statement will be required.

Please contact me at rbell@monroecounty.gov or (585) 753-2034 if I can be of any further service.

MONROE COUNTY AGRICULTURAL DATA STATEMENT

Please note: Section 283-a of the Town Law requires any application for a site plan approval, subdivision approval, special permit or use variance on property within an agricultural district containing a farm operation, or on property with boundaries within five hundred (500) feet of a farm operation located in an agricultural district, to include an Agricultural Data Statement.

A farm operation is defined as "...the land and on-farm buildings, equipment, manure processing and handling facilities, and practices which contribute to the production, preparation and marketing of crops, livestock and livestock products as a commercial enterprise..." (Section 301, Article 25-AA of the Agriculture and Markets Law).

All applications requiring an Agricultural Data Statement must be referred to the County Planning Department in accordance with amended Sections 239- m and 239-n of the General Municipal Law.
